MU IS A DESTINATION UNIVERSITY FOR A DIVERSE STUDENT POPULATION.

MU serves low-income students, as measured by federal Pell Grant awards.

MU students represent every Missouri county, every state and 120 countries.

Transferring to Mizzou: To make an MU education accessible for transfer students, the university has more than 80 transfer and articulation agreements with Missouri’s 12 public community colleges, Linn State College and Missouri State University-West Plains. In addition, Mizzou continues to complete hundreds of degree-program transfer guides to help students plan their course work. More information: admissions.missouri.edu/apply/transfer/articulation-agreements-transfer-guides/index.php.

College Access: The nationally recognized Missouri College Advising Corps employs recent Mizzou graduates to serve as advisers in rural and urban partner high schools. Since 2008, the program has increased the number of students going to college from these schools by an average 10.35 percent compared to .3 percent statewide. More information: mcac.missouri.edu.
THE QUALITY OF MU STUDENTS CONTINUES TO RISE.
